Day Out With Thomas & Museum Staffing Sign-Up Sheets

Sign-up sheets will be present for the various Day Out With Thomas committees. Please sign up for the committee with which you will work for the Thomas event. If you don't sign up, expect the committee directors to be calling you for your help. TCRM needs everyone's help in some capacity or other to make this and our other events as successful as we can.

Also the phone answering sign-up sheet, the desk calendar on the 1st-floor admin desk, is always available for you to add your name. We still need help to continue putting on top quality events for our patrons. Please sign up for something, even if it's just answering phones for a Saturday or working the hobby shop on a Saturday. We also need folks to answer phones on Tuesdays, Thursdays & Saturdays during the week. Jim Brown & I will be recruiting excursion train crew for the May 17 trip.

E-mail Addresses

Have E-mail and want to receive Cumberland Div/NRHS/TCRM updates & news via E-mail? Well, send your E-mail address to bob.hultman@mach10internet.com & you'll be added to the E-mail group maintained for these organizations.

Special Phone Answering Effort

TCRM has 3 more excursion trains coming up, May 17, June 7 and July 12 before we end our schedule for spring/summer 2003. If you will help answer the phones on any day, Monday thru Saturday, please sign up and we will make arrangements for the building to be open. Answering the phone is relatively easy to do, not physically demanding and you can work on other projects while waiting for the next call to come in. Contact Terry Bebout, 244-9001 ext 4 or Bob Hultman, 244-9001 ext 6 with what day/dates you will answer phones for TCRM.

Willow St Building Maintenance

With the spring growing season in full bloom, we'll need to continue our building maintenance efforts. For grass cutting, the Nashville Ntrak modelers and the HO modelers will split the grass cutting duty, with Drew Griswold volunteering some grass-cutting after return from TN Tech for the summer.

A 2nd task is keeping the building clean. Those who have volunteered for inside maintenance are listed in previous 2003 meeting notices. The group responsible for May will be Jerry Gray, WO Greene, Bob Hultman, Barbara Hutton, Jerry Jones & John Kennedy.
