Good Words of Wisdom From an Old Farmer

- Life is simpler when you plow around the stump
- A bumble bee is considerably faster than a John Deere tractor
- Words that soak into your ears are whispered....not yelled
- Meanness don't just happen overnight
- Forgive your enemies....it messes up their heads
- Don't corner something that you know is meaner than you
- It don't take a very big person to carry a grudge
- You cannot unsay a cruel word
- Every path has a few puddles
- The best sermons are lived, not preached
- Most of the stuff people worry about ain't never gonna happen anyway
- Don't judge folks by their relatives
- Remember that silence is sometimes the best answer
- Live a good, honorable life. Then when you get older and think back on it, you will enjoy it a second time.
- Don't interfere with something that ain't bothering you none
- If you find yourself in a hole, the first thing to do is stop digging
- Sometimes you get and sometimes you get got

- The biggest trouble maker you will probably deal ever have to deal with, watches you from the mirror every morning
- Always drink upstream from the herd
- Good judgment comes from experience and a lot of that comes from bad judgment
- Letting the cat out of the bag is whole lot easier than putting it back in
- If you get to thinking you are a person of some influence, try ordering someone else's dog around
- Live simply. Love generously. Care deeply. Speak kindly. Leave the rest to God.

Wash Me!!!

It has been some time since our excursion train has had its exterior washed. We have set aside Saturday, July 23, as the day to wash. Our train is something to be proud of so please plan to attend the washing party on this day rain or shine (it is actually better if it rains so the soap does not dry as fast).

Frank Holt has offered to feed the washing crew breakfast and lunch as an incentive for your participation. We will begin at 7am and continue on until we are done with all cars. Even if you can only be present part of the day, it is better than none at all!

Please e-mail terry.Bebout@earthlink.net or call 615-833-5077 and advise your attendance and times. Thanks.

Excursion Trains

Our next excursion train is July 9, Nashville-Watertown for the annual Murder Mystery/Jazz Festival which departs at 4 pm. Please notify Bob Hultman 615-833-5158 hultman@earthlink.net if you plan to work this trip as a carhost and have not signed up.

We continue to have photo shoots and music video shoots at our museum. On the July 9 excursion there will be a music video shoot in the 4067 and 103 private cars. The museum will receive \$500 for the shoot.

Flyers are now available for the remainder of our excursion trains scheduled for 2005. Please pick some of these up and some Thomas flyers and let folks know about our excursion trips.

Work continues on in coach 7628. This car should be back in service by August 1 (a full month ahead of schedule). Thanks to Gordon Smith and Robert Marsmaker for leading the seat installation crews and thanks to Jay Wilson and Wilson Steel for supplying over \$4,000.00 of fabricated materials to date for the restoration of this coach.
