## TC 102 Palm Beach Update

By **Pete Weaver**

Work continues on the **Palm Beach**. It is not too visible as we are removing material on the inside for storage while the car undergoes restoration. Approval has been given to do the necessary abatement and this will be done late in the year to garner a better rate. Anyone can help. The work is not hard. We will be working on the car every Saturday in July. If no work is to be done **Bob** or **Terry** will be asked to post a notice. Thanks

physician and is building an HO layout in his spare time. Peter also designs and builds custom layouts for others. Without question, **Peter** will bring much to the table in our hobby shop with his skills. Welcome, **Peter!!!**

Be on the watch for a new and refreshing look in our emails later this month. We are testing a service that will allow you to select your scale and favorite road names so that we can better serve your specific interests. We plan to expand this reach beyond TCRM members as we're the only hobby shop in town.

We continue to look for "deals" from manufacturers. This month we will feature some products with great pricing in N Scale. We are also stocking up with rolling stock in both HO and N from many manufacturers. So come by the shop and check us out!!

Your hobby shop crew...Peter, Mike, Fred, Jimmie, Ed & Charles

## **Food Service Crew – Day Job Retirements**

By **Frank Holt**

## **Volunteers at TCRM**

By **Marilyn O'Neal**

Our Tennessee Central Railway Museum Youth came to the rescue today (June 26) and ran trains and gave tours to a large amount of guests. **Fred Enters, Kevin Matthews & Steve Price** all came by to volunteer their services so all in all we had a really good day and lots of visitors to Tennessee had a good visit with us.

Making up our youth group for today were **Nathan Day, Jack Dill, Bailey Huseman, Andrew Jensen & Katelyn Wemple**. Again thanks to all.

## **YMCA Students Visit TCRM**

By **Misty Graves**

**Marilyn** and I would like to thank **Marvene Bilbrey, Fred Enters and Dresden, Ariana Graves, Bill Howard, Bob Hultman, John Kennedy, Gale Madison, Kevin Matthews, Jim Perry & Steve Price** and for volunteering their time to come and help out with the kids visiting from the YMCA. We had 39 children and 5 or 6 adults come to TCRM and judging by the smiles on their faces, they had a great time. They also spent a little over \$100 buying souvenirs.

We have another group coming from the YMCA tomorrow morning, arriving at 10 am and leaving between 11:00 and 11:30 am. If you can come by and help out, please E-mail me or **Marilyn** or call the office and let us know. Right now, we have two people signed up to help. (This might be a great opportunity for some of the youth members, boys and girls both, to come down and help out.)

Thanks to our volunteers today and we'll see some of you, I hope, tomorrow morning.
