## Nashville Ntrak News

Submitted by **Ed Minnich**

Calling all NTRAK & Free-moN clubs and individuals. It is now less than a year away until the National NMRA show in St. Louis. Our Gateway NTRAK club in conjunction with National NTRAK is requesting a preliminary CALL for NTRAK and Free-moN modules for the 2020 NTRAK layout.

We are only asking for a module count and type right now not a commitment. We need this information ASAP so we can let the NMRA and train show coordinator how big an area we will need. Gateway NTRAK hosted the NTRAK layout 19 years ago in 2001. We would like to have a large N-Scale layout in 2020 so we are asking individuals and clubs to please participate to help make this possible and enjoyable for all.

Please go to [www.gatewayntrak.com](http://www.gatewayntrak.com) and follow the simple directions to register to have your module/s in the big layout. This is a secure website. If you have any questions you can email through the website or at the email address below.
