Hobby Shop Needs Volunteers

By **Fred Enters**

HELP WANTED to assist opening the TCRM Hobby Shop. It is easy and just 4 hours a month fills a need. All you have to do is learn the cash/credit card sales system. No inventory duties, just open the door, smile, assist customers, and close the shop. It is a good way to meet members and interact with the many visitors to our Museum and city. If interested, please contact **Fred Enters**, entersf@charter.net Thanks

Plumbing Repair at TCRM

By **Bob Hultman**

The water line leading to the hydrant closest to the TCRM shop building is now back in service. The line supplying the hydrant developed a leak some months ago & water to the line had been shut off. A new line was trenched & laid within the past 2 weeks to the relocated hydrant (close to the Buntin fence). The line runs just south of the maintenance track. A new concrete box for the cutoff valves was also installed in the platform just outside the boarding gate. The concrete base for the TC Ry signal mast was also removed.
